

Department of Studies and Planning

Student Guidance for Admissions 2018-2019

Postgraduate							Undergraduate			Department	College
PhD	Masters	Higher Diploma	Jurisdiction	Evening study	Morning study	BSC					
	*		Draw		*	*		Fine arts	Fine arts		
	*		Sculpture								
	*		Earthenware								
*			Formal arts								
*	*		Play arts		*			Performing arts			
*			Branch of directing								
*			Representation Branch								
*			Branch literature and criticism								
*			Play education								
*			Theatrical techniques								
*	*		Plastic Education		*	*		Art education			
					*	*		Design			
*	*		Public Law	*	*	*		Law		Law	
*	*		Private Law								
*	*	*	Structural Engineering	*	*	*		Civil Engineering			
	*	*	Construction Materials Engineering								
	*		Transportations Engineering								
	*		Water Resources Engineering								
		*	Highway Engineering								

Department of Studies and Planning

		*	Hydraulic Structures Engineering					Engineering
		*	Sanitary Engineering					
		*	Geotechnical Engineering		*	*	Electrical engineering	
*	*		Power		*	*	Chemical Engineering	
	*		Applied Mechanics	*	*	*	Mechanical Engineering	
*			Electronics and Communications					
	*		Industrial Electronics		*	*	Architecture	
	*		Communications			*	Engineering of Life Sciences	
	*		Electronics					
	*		Environmental Engineering					
	*		Electrochemical Engineering		*	*	Environmental Engineering	
		*	Criminal Evidence	*	*	*	Life science	
*	*		Life science					
*	*		Chemistry	*	*	*	Chemistry sciences	
*	*		Physics		*	*	Physics	
	*				*	*	Applied Geology	
*	*		Physical education	*	*	*	Physical Education	Physical education and sports sciences
		*	Diagnostic Radiology		*	*	Science of Pathology and	Medicine
	*		Pathology				Department Surgery	
		*	Medical Emergencies				Abdominal Surgery	
		*	Echo				Department of Pediatrics	
		*	Family Medicine				Obstetrics gynecology	

Department of Studies and Planning

*	*		Medical Microbiology				Family medicine and	
	*		Medical Physiology				Human anatomy	
*	*		Clinical biochemistry				Pathology	
	*		Pharmacology				Science of Organ function	
							Chemistry and Clinical Biochemistry	
							Science of Pharmacology	
							Department of Microbiology	
	*		Methods of Teaching Arabic Language	*	*	*	Arabic	Basic Education
	*		Methods of Teaching Socialites	*	*	*	History	
	*		Methods of teaching English	*	*	*	English	
	*		Methods of teaching general sciences	*	*	*	Science	
*			General teaching methods	*	*	*	Geographically	
	*		Special Education		*	*	Special Education	
				*	*	*	Mathematics and Computer	
	*		Master of science in medical and oral microbiology		*	*	Dentistry	dentistry
	*	*	Computer Sciences		*	*	Computer Sciences	Sciences Girls
	*		Microbiology		*	*	Life science	
*	*		Physics laser applications		*	*	Laser Physics	
					*	*	Chemistry	
					*	*	Arabic	Literature
	*		Sociology		*	*	Sociology	
					*	*	Ancient Archaeology	

Department of Studies and Planning

				*	*	*	Media	
					*	*	Archeology / Islamic	
				*	*	*	Business Administration	Administration and Economics
	*		Industrial Management		*		Industrial Management	
	*		Financial and monetary sciences	*	*	*	Finance and Banking	
		*	Strategic security planning		*	*	Environmental Management	
		*	Strategic planning					
		*	Evaluation of projects					
		*						
*	*		Nursing Science	*	*	*	Nursing Science	Nursing
*	*	*	Metallurgical Engineering	*	*	*	Metal Engineering	Engineering Materials
*	*	*	Ceramics Engineering					
	*		Polymer and composite materials Engineering	*	*	*	Ceramics and Building Materials	
				*	*	*	Engineering and Polymer	
				*	*	*		
	*		Quranic Sciences		*	*	Quran Sciences	Islamic Sciences
	*		Quran language		*	*	Jurisprudence	
					*	*	Quran language	
					*	*	Pharmacy	pharmacy
	*		Information networks	*	*	*	Information networks	Information Technology
					*	*	Information Security	
*	*		Software	*	*	*	Software	
*	*	*	Mathematics		*	*	Mathematics
